About Additional and Specialist Learning

Additional and Specialist Learning (ASL) are options that allow learners to go into more depth in a specialist area, or broaden their study through, for example, a language or science qualification. Learners will select from qualifications at the same level as the Diploma that they are taking, or one higher eg the Foundation Diploma can have ASL at level 1 or 2.

ASL forms part of the Diploma and fits into the overall structure of the Advanced (Level 3) Diploma as follows:

	Guided Learning Hours (GLH)
Principal Learning	540
Generic Learning	180
Additional and Specialist Learning	360
10 days work experience	
Total	1080
